

THE JOURNAL OF VOCATIONAL, ADULT AND CONTINUING EDUCATION AND TRAINING

The Journal of Vocational, Adult and Continuing Education and Training (JOVACET) recognises the need for critical engagement through studies in technical and vocational education and training (TVET) and adult and continuing education and training, and for encouraging critical scrutiny of this expansive knowledge area on the African continent.

Editorial

Joy Papier

Reframing student performance in South African technical and vocational education and training colleges: A realist capability approach

Lesley Powell, Francis Muronda and Shawn Tini

Exploring the effects of stress on students at a technical and vocational education and training (TVET) college

L Nefdt, H Dippenaar and P Engel-Hills

Using a design-based research approach to improve Financial Mathematics comprehension among vocational college students

MA Ngoveni, PD Motseki and MF Machaba

Violence against queer students: Experiences of black lesbian students at a technical and vocational education and training college

S Siwela

The role of social media and artificial intelligence tools in engaging hearing-impaired students in vocational education: A Zimbabwean case study

C Muwaniki and J Matara

Exploring the role of artificial intelligence (AI) in recognition of prior learning (RPL): Opportunities for transforming adult learning and assessment

R Rambharose

Skills ecosystems mapping: An analysis of installation repair maintenance by medium, small and micro-enterprises

P Ramsarup, K Mlauzi, F de Clercq and G Robbins

Optimising work-integrated learning environments: A comparative evaluation of urban and rural community college placements for adult education students

B Seleke, NJP Teis and N Matiso

Governing technical and vocational education and training: Efficiency and accountability in the form and function of college councils
