
CALL FOR PAPERS

JOVACET

VOLUME 3, ISSUE 2, 2020

You are invited to submit an abstract or an article for JOVACET Volume 3, Issue 2, 2020, an edition with a general focus on research in post-schooling, either within the technical and vocational education and training (TVET) contexts, but also on the intersections of TVET with broader adult and continuing education and higher education contexts, to be published in November 2020.

Deadline for abstract submissions: Friday, 27 March 2020.

Abstracts should comprise a maximum of 700 words and be submitted in MS Word format via the journal website at www.jovacet.co.za or emailed to Dr Catherine Robertson at cathy@tcrobertson.co.za. Should you prefer to submit a full article, please limit the number of words to 8 000. The website will provide the style guide, which includes the abstract and list of references.

This second issue of the journal in 2020 will follow the broader theme of *Research in the field of TVET and in adult and continuing education and training*. Contributors may therefore share any recent research relevant to the theme and the TVET/adult learning sector. Abstracts or articles are invited that respond to this call to share recent research, its conceptual framing and its findings, with a view to identifying areas of further research for exploration. Submissions should be of high quality and follow academic research/writing conventions in the social sciences. Specifications can be found on the JOVACET website or obtained from Dr Catherine Robertson at the email address above.

We look forward to receiving your submissions!
